Dear Students,

Smart India Hackathon (SIH) is a premier nationwide initiative designed to engage students in solving some of the most pressing challenges faced in everyday life.

The hackathon not only offers students an opportunity to showcase their skills but also encourages collaboration with industry experts, government agencies, and other stakeholders.

Dear Madam/Sir,

Greetings from All India Council for Technical Education (AICTE) ..!

We are pleased to inform you that The **National One Health Mission (NOHM)**, in collaboration with its organizing committee, is pleased to announce **IDEA-ONE: National One Health Hackathon 2025**—a prestigious national-level innovation challenge aimed at engaging India’s brightest young minds in developing multidisciplinary, technology-driven, and community-focused solutions to address the complex health challenges at the **human–animal–environment interface**.

Aligned with the vision of the Government of India to strengthen health security through the **One Health** approach, this hackathon seeks to foster innovation and collaboration among students from diverse disciplines, including medical, veterinary, environmental, engineering, agricultural, and social sciences. Participants will work in multidisciplinary teams to design practical and scalable prototypes that enhance India’s preparedness and response to challenges such as zoonotic diseases,

antimicrobial resistance, climate-linked health risks, biosafety, and environmental health.

Key Highlights:

- Opportunity to work in cross-sectoral, multidisciplinary teams
- Hands-on innovation and problem-solving experience
- Showcase innovations before national experts and policymakers
- Compete for a **prize pool of ₹3 lakh**, along with **mentorship and incubation opportunities**

Important Dates:

- **Registration Opens:** October 11, 2025
- **Registration Closes (Extended): October 30, 2025**
- **Region-wise Presentations:** November 3, 2025
- **Grand Finale (New Delhi):** November 20, 2025
